

WHAT IS CAIRDE?

Cáirde is a new annual subscription service by Muintir na Tire. It is being introduced to advance the present Garda text alert system by incorporating modern technology which will empower communities to better address the problems of

- Increased fear of crime and isolation
- Protecting vulnerable members of our communities
- Building community spirit

HOW DOES IT WORK?

Cairde has five key features

1. Unlimited Garda Text Alerts.
2. Unlimited Community Messaging.
3. Digitally Monitored Panic Button.
4. Pay by Text makes subscribing simple.
5. Soon it will connect to Smart Devices such as Cameras and Plugs.

HOW MUCH DOES IT COST?

€10 per annum.

HOW DO I GET IT?

Subscription to Cáirde is on a group basis. Your committee will decide if they wish to upgrade to the Cairde service following consultation with the group. All Cairde group members will receive a text containing a link to the app and a link enabling them to pay by text. The subscription fee will be added to their next phone bill. Customers without smart phones wishing to continue receiving their Garda text alerts through SMS messages can do so. Text alert members can contact us directly to request a presentation on Cairde.
